SRI H. SIDDAVEERAPPA (Minister for Health).

The question does not arise since the supply of medicine through package system is made to the dispensaries below the hobli and circle levels in the State according to the present system.

CALLING ATTENTION TO A MATTER OF URGENT PUBLIC IMPORTANCE

Re: Re-constitution of Committees for affiliation of private Industrial institutes in the State.

SRI C. V. VENKATARAYAPPA (Chikkaballapur):—I call the attention of the Minister for Excise and Labour to the urgent need to reconstitute Committees for affiliation of Private Industrial Training Institutions in the State.

SRI S. M. YAHYA (Minister for Excise and Labour):- Madam, I wish to make the following statement:

1. There are few private Institutes in this State imparting training in Vocational Trades. The trainees of these Institutes are permitted to take up Trade Test conducted by the National Council for training in Vocational Trades of the Government of India, only if their institutes are affiliated to N. C. T. V. T. For affiliation of a private institute to N. C. T. V. T., the State Government has to take steps by forming a standing committee to inspect such institutes and invite their remarks. On the recommendation of the standing committee, the State Director will forward the recommendations to the Government of India for affiliation to N. C. T. V. T.

2. The term of the Combined Standing Committee Constituted in 1972 for affiliation of private Industrial Training Institutes Centres in the State expired in March 1974.

The proposal by the Director of Employment and Training to extend the term of the Committee for a further period of two years was under consideration. It is reported that there are applications from three Industrial Technical Training Institutes *viz.*, (1) Ghousia Technical Training Centre, Bangalore (provisionally recognised), (2) M. R. Jayaram Industrial Training Institute, Bangalore, and (3) Sir M. Visveswaraiah Industrial Training institute, Chikballapur for affiliation.

3. The Government Order extending the term of the Combined Standing Committee for affiliation of private Industrial Training Institutes/Centres in the State for a further period of two years has been issued.

SRI C. V. VENKATARAYAPPA :—I am glad that the term of the Committee has been extended for which I thank the Government. But, the difficulties that in respect of 'Welder trade' the trade test has got to be conducted in the month of August 1975. The names of the students who take the test has to be submitted to the Central Government well in advance. The Director while submitting the list has not included the names of the students studying in the Industrial Training Institute, Chikballapur. Because the Affiliation Committee has not been constituted. So, would the Hon. Minister kindly direct the Director of Employment and Training to forward the name of the students of welder trade studying in Industrial Training Institute, Chikballapur? Because, if it is late the Central Government may say that the list has been sent very late; so they will not be able to take the examination.

SRI S. M. YAHYA :—The Committee has already been constituted. I will request the Committee to took into all the technical deficiences even in respect of Chikballapur Institute. If you want, I will give the name of the Members so that we can expedite the matter. They are—

1. Col. S. S. Srinivasan, Retd. Training Manager, Bharath Earth Movers Ltd., K. G. F.
2. Prof. Sanadi I. G.
3. Sachindranath
4. Principal, Training Institute, Guindy-nominee of *N*. C. T. U. T.
5. Joint Director af the Department.

I will request the Joint Director to expedite the matter.
